Education

University of Minnesota, Twin Cities Campus

- Master of Education - Youth Development Leadership, 2007 - 2013
 - B.S. Family Social Science/Minor in Youth Studies, 2001 - 2005
-

Professional Experience

Courageous heARTS

Founder & Executive Director, September 2012 - September 2020

- Conceptualized and provided visionary leadership for all stages of development - from launch to strategic planning and final dissolution.
- Built authentic leadership roles for youth at all levels of the organization - including board and paid staff positions.
- Managed daily operations of our storefront studio, including coordination of volunteers for public drop-in hours and special events.
- Developed programs focused on youth leadership, creative self-expression, creative entrepreneurship, and community building, including our unique Open Studio concept.
- Designed a 9-month paid apprenticeship program for ages 16-24 focused on building skills in expressive arts coaching, learning styles, restorative practices, and trauma-informed engagement.
- Partnered with youth to design a coloring book featuring their artistic interpretations of favorite Twin Cities landmarks.
- Hired local artists to teach classes to youth and adult participants.
- Supervised and mentored over 30 high school and college interns from STEP-UP Minneapolis, St. Kate's, and University of Minnesota, as well as hundreds of volunteers.
- Co-facilitated monthly reflection circle for staff and volunteers.
- Planned special events, including fundraisers, launch parties, youth art sales, and other creative community gatherings.
- Generated, designed, and managed all marketing and external communications, including social media and e-newsletters.
- Designed, built and updated the [organization's website](#).
- Developed partnerships with area nonprofits, schools, and businesses, including: the RestART Room at Roosevelt High School, youth art displays at local coffee shops, and coloring book sales at area businesses.
- Responsible for grant writing, donor development, earned revenue strategies and fundraising events.
- All other duties I assigned myself.

Walz Well-Being, LLC

Coach & Consultant, 2014 - Present

- Design and teach workshops for agencies and individuals focused on trauma, resilience, youth development, and leadership.
 - Coach individuals to transform life challenges into purposeful action through education and personal resilience practices.
 - Consulted with a 50 person agency over 12 months to develop actionable steps toward trauma-informed services and operational frameworks utilizing values-based assessment, staff training, and implementation coaching.
 - Have given keynote addresses and participated in panel discussions to
-

audiences as large as 400 people.

NorthStar Youth Worker Fellowship

Project Manager, February 2016 - Present

- Support current fellowship participants as a mentor and writing coach.
- Meet with various stakeholders to build a strategic vision for the future.
- Facilitate panel discussions with fellowship alumni at local conferences.
- Coordinated three cohorts of fellowship alumni through a process to transform their written ideas into online e-studies, in partnership with the Humphrey School of Public Affairs at the University of Minnesota.
- Built a [functional website](#) to serve as a repository of practitioner wisdom and professional development for the field of youth work.
- Designed marketing content for public distribution.

Lutheran Social Service of Minnesota

Program: It's All About the Kids/Empowering Students to Achieve (ESA)

ESA Supervisor, January 2011-February 2014

- Coordinated be@school truancy services for Hennepin County.
- Managed hiring process for ESA positions.
- Supervised two educational support staff, providing regular performance coaching and annual review.
- Assisted with the development and oversight of the annual program budget with the program director.
- Maintained agency-wide Community Partners Online certification with Minneapolis Public Schools.
- Continued to fulfill the work responsibilities of an ESA, as described below, with small caseload.

Lead Educational Support Advocate, December 2010 - February 2014

- Oversaw program implementation, partnership development, documentation and data gathering.
- Provided coaching and case consultation to new staff.
- Partnered with an external evaluator to develop teacher, student, and family surveys and facilitated administration.
- Collaborated with the IT department to implement and maintain a web-based program for data gathering and case documentation - served as "super user" for the housing department.
- Collaborated on grant writing to sustain services and grow new initiatives.
- Continued to fulfill the work responsibilities below with small caseload.

Educational Support Advocate, August 2008 - November 2009

- Advocated for students' educational and social-emotional needs both in school and at home.
 - Created individualized case plans with students and families to address academic, behavioral, or attendance concerns.
 - Monitored attendance, grades, and behavior through consistent communication with schools, parents, and community service providers.
 - Partnered with school and community agencies to provide appropriate interventions for academic or behavioral concerns.
 - Developed and implemented assessment tools to identify student needs, address home learning environments and maintain case plans and goals.
 - Collaborated with the program manager to write and secure a federal grant, adding two additional ESA staff to the housing department, which expanded this role from a single position to a focused area of service.
-

-
- Networked with district officials and community-based organizations to secure and maintain partnerships.

Program: Karibu House

Independent Living Skills Coordinator, July 2005 - February 2008

- Re-designed Independent Living Skills program to include a weekly curriculum and more clear participant expectations.
- Facilitated weekly groups focusing on topics within the themes: employment, health and wellness, money management, transportation, community resources, and housing.
- Marketed the ILS program to community leaders and county officials who offered support through donations and youth referrals.
- Counseled and motivated youth to engage in positive interactions, complete program expectations, and pursue life goals.
- Collaborated with co-workers and county social workers to develop individual case plans and goals for youth and ensure that progress is made in desired areas.
- Maintained proper records and documentation, including written reports noting youth's progress toward goals.
